October 7th, 1913

Mr. Justice Kelly,

Chairman, Finance Committee, Board of Governors,

University of Toronto.

Dear Mr. Justice Kelly:

Last May a petition was presented by me to the Board containing a request of several of the Professors of the University that the Board should examine the new regulations of the Carnegie Foundation for the Advancement of Teaching. It was referred by the Board to the Finance Committee to be dealt with this autumn. I am forwarding the petition to you, and if there is any further information that I have and which you desire, I shall be glad to forward it to you.

With kind regards, I am,

Yours sincerely,

President.

Mr. Justice Kelly,

Toronto.

Dear Mr. Justice Kelly:

Some of the professors have been asking me whether the Board intends to take any action in regard to the petition that they sent in in the matter of the Carnegie Foundation. Presumably you have been so rushed by your judicial duties that you have not had time to consider the matter. If there is any way in which I can be of service to you in preparing information for you I shall be glad to do so.

With kind regards, I am,

Yours sincerely,

President.

THE SUPREME COURT OF ONTARIO  
HIGH COURT DIVISION.

Nov. 10th, 1913.

Dear Dr. Falconer :

I am in town for a few hours only, and have just received your letter of the 6th instant relating to the petition of some of the Professors in the "Carnegie Foundation" matter.

My continued absence from the meetings of the Board of Governors and the Committees, might be taken to indicate neglect or indifference on my part, but such is not the case. I have been out of the City almost every week since the mid-summer vacation, and only one week between now and Christmas am I to be here. My hope is to be in Toronto next Saturday, and if there is anything that I can then do in this matter I shall be glad to confer with you, for you have much more information on the subject than I have. I shall, however, try to make an appointment with you on Saturday if I am fortunate enough to be here then.

I am,

Yours very truly,

*H. S. Kelly*

Hon. Mr. Justice Kelly,

Toronto.

Dear Mr. Justice Kelly:

Some members of the staff have been speaking to me about the reply of the Board of Governors with regard to their letter in the matter of the Carnegie Retirement Fund. They are thinking of writing an article for "The Monthly" pointing out its defects, but I think it will be well for them not to do so until the Governors have reported. Do you think it will be possible to look into the matter pretty soon? I know how you are overburdened.

With kind regards, I am,

Yours sincerely,

President.
